Dear John:

As you know, on Monday, July 30, 2012, we received a defense verdict in the above captioned case.

In speaking with the Judge after the verdict came in, he informed me that he spoke with the jury. The jury found your testimony extremely important and helpful to the defense of this case. Obviously, I am glad we spent the hours we did the night before your testimony to review your testimony and craft its delivery in a fashion the jury would understand and appreciate, as it appears that we met that goal.

I would personally like to thank you for the time and effort you put into this case. Please know that I would welcome the opportunity to work with you again in the future, and if I ever hear of the need for an aquatics expert, please know that you are at the top of my referral list.

Sincerely,

Earl G. Greene, III
